MYSORE APPROPRIATION No. 3 BILL, 1961,

Introduction

Sri J. H. SHAMSUDDIN (Deputy Minister for Finance).—Sir, I beg to introduce the Mysore Appropriation (No. 3) Bill, 1961.

MR. DEPUTY SPEAKER.—The Mysore Appropriation (No. 3) Bill, 1961 is introduced.

Motion to consider

Sri J. H. SHAMSUDDIN.—Sir, I beg to move:

“That the Mysore Appropriation (No. 3) Bill, 1961 be taken into consideration.”

Mr. DEPUTY SPEAKER.—Motion moved :

“That the Mysore Appropriation (No. 3) Bill, 1961 be taken into consideration.”

†**Sri J. H. SHAMSUDDIN.**—Sir, The Bill requires no comment. It incorporates the Demands that were sanctioned by this House after a thorough discussion and enquiry. I therefore request the House to give its unanimous approval to the Bill.

†**Sri J. B. MALLARADHYA (Nanajngud).**—Sir, I do not wish to make any speech, but want to content myself with the observation that in spite of the best attempts by the Finance Minister to clarify many points raised during the debate, without any unfairness to the Hon'ble Deputy Finance Minister, many of the replies were unsatisfactory and do not reflect credit on any Government. When many important points were raised, that they should either go unanswered or be answered in an unsatisfactory manner; and having regard to this background, I should like to totally oppose the entire Bill.

†**Sri C. M. ARUMUGHAM (Kolar Gold Fields).**—Sir, this sum of Rs. 7 crores is being asked for expenditure on certain items which the Government of Mysore is not going to spend as they are very busy with getting tickets for the general election.

Mr. DEPUTY SPEAKER.—The question of tickets does not arise here.

Sri C. M. ARUMUGHAM.—I was travelling in a bus yesterday some gentleman came and said ‘Ticket please’.

Mr. DEPUTY SPEAKER.—If he wants he can speak on the Bill. I cannot allow again to speak on other things here.

Sri C. M. ARUMUGHAM.—Since the Government are busy elsewhere I doubt very much whether they will spend this amount.

Mr. DEPUTY SPEAKER.—He is going away from the scope of discussion of the Bill.

†**Sri C. M. ARUMUGHAM.**—I am saying that since some of the Ministers are very busy in seeking tickets for their election, it is not possible for them to spend this amount. They are busy with their party politics and getting tickets. The absence of so many Ministers and Congress members shows that. I was told that some of the Members went to Madras and some of them have reserved rooms in some hotels in Delhi to go there for getting tickets.

Mr. DEPUTY SPEAKER.—Is that the standard that I expect from him?

Sri C. M. ARUMUGHAM.—I have got something to say about the Electricity Board and how it is functioning.

Mr. DEPUTY SPEAKER.—He is going away from the scope of discussion. I cannot allow him to speak like this.

Sri C. M. ARUMUGHAM.—Even last year they were not able to spend the amounts that they got from this House. You will see this from this Audit Report. So far as the Electricity Board is concerned, the members are indulging in politics and not spending the amounts properly. Section 10 of the Electricity Act says that the Government can remove or disqualify a member of the Board when he seeks to become a Member of Parliament or State Legislature or local authority. The Chairman of the Mysore State Electricity Board seeks to become a member of the Legislature. He is an applicant for a ticket and he takes active part in politics and by virtue of that he should be disqualified to be the Chairman. He has applied for a ticket from Mulbagal.

Mr. DEPUTY SPEAKER.—How does this question arise here? He has been an Hon'ble Member of this Assembly for the past 4½ years and he must know something about parliamentary traditions. He is not aware of what he is doing.

Sri C. M. ARUMUGHAM.—Do you mean to say that I am not aware of what I am saying? If you say like this I will not be able to make you follow my points.

The Chairman of the Electricity Board is seeking election.

Mr. DEPUTY SPEAKER.—He cannot speak on the Board. The scope of discussion is limited.

Sri C. M. ARUMUGHAM.—If you look to the civil works, they are doing so many works without sticking to plans and estimates. I am afraid whether they will be able to complete the budgetted works and spend the amounts voted. Simply because there is a provision in the Constitution enabling them to ask for supplementary grants they are coming here with supplementary demands, but they are not spending it.

Then, this is a money Bill, but it does not contain the recommendation of the Governor. The Government want to act as the Governor and become dictators.

Mr. DEPUTY SPEAKER.—In spite of repeated warning from the Chair, he is going away from the subject of discussion. I will have to take some drastic action if he does like this.

Sri C. M. ARUMUGHAM.—You may ask me to go out and I will go out gladly.

Mr. DEPUTY SPEAKER.—He is playing here.

Sri C. M. ARUMUGHAM.—I cannot tolerate your remarks like this.

Mr. DEPUTY SPEAKER.—I will have to take serious action.

Sri C. M. ARUMUGHAM.—What action are you going to take? Simply because you occupy the Chair you cannot say like that. You must remember that whatever you speak is coming from the Chair.

Mr. DEPUTY SPEAKER.—This is only discussion on the Appropriation Bill, but he is making general observations.

Sri C. M. ARUMUGHAM.—I cannot help if you do not relish my remarks. It is for the Government to say that I am not relevant and not for the Speaker.

Sri S. D. KOTHAWALE.—I rise to a point of order. The Hon'ble Member is arguing with the Chair. It is against the rules of procedure. I want the Chair to give a ruling on this point.

Mr. DEPUTY SPEAKER.—I am also noticing that Sri Arumugham is indulging in arguments with the Chair. I have to take very severe action against Sri Arumugham, if he continues to behave in this manner.

Sri M. RAMAPPA.—The Hon'ble Member.....

Mr. DEPUTY SPEAKER.—I have given a decision. There can be no arguments about it.

Sri C. M. ARUMUGHAM.—With these few remarks, I oppose this Bill.

(Laughter).

† Sri J. H. SHAMSUDDIN (Deputy Minister for Finance).—Sir, I am sorry that the Hon'ble Member who spoke last did not correctly display a proper knowledge of the working of Government, when he attacked the Supplementary Demands.

Sri C. M. ARUMUGHAM.—As if the Deputy Minister speaks with any knowledge. He has none of it. He speaks through his nose.

Sri J. H. SHAMSUDDIN.—Most of the amounts mentioned in the supplementary demands have either been spent or are in the process of being spent and yet the Hon'ble Member was saying that Government will not be able to spend. I wish the Hon'ble Member knows the facts better. ...

Sri J. B. MALLARADHYA.—Sir, I do not think it is open to the Treasury Benches to misinterpret anything that has been said by any member of the House. Mr. Arumugham only said that the Government have not the capacity to spend. Experience has shown that the amounts indicated in the appropriation bill have not been spent. It is open to the Hon'ble Deputy Finance Minister to refute it but he cannot declare that the person making the allegation is doing so without knowledge. This kind of personal attacks, whether it is from the opposition or the Treasury Benches, is not fair and it is hardly appropriate coming as it does from a Deputy Minister. Such attacks, I consider, are derogatory to the dignity of the House and I do not think any Member of this august House can be dealt with in this manner, particularly the Members of the Opposition.

Sri J. H. SHAMSUDDIN.—Sir, I never meant making any derogatory remark against any member. Hon'ble Mr. Arumugham attacked the Government that we would not be able to spend money because our attention is diverted elsewhere. I am only pointing out to the fact that most of amounts have already been spent or are in the process of being spent. Therefore the question of our attention being diverted elsewhere does not arise. If the Hon'ble Member has only cared to look into the pages of the budget, he would not have made the remarks that he did. As a matter of fact there was a criticism from the Members of the Opposition that these demands could have been envisaged and incorporated in the regular budget and the demands are being put forward in a belated manner. Therefore I wished to submit with great respect that the Hon'ble Member has not cared to know the working of the supplementary demands. I did not mean any derogation or casting any reflection upon his ability. I submit that an Hon'ble Member who hurls an attack should be prepared to take it back when the time comes.

Sir, the Hon'ble Leader of the Opposition said that answers have not been furnished to all the points. Of course, the time allotted to me was covered by the answers that were necessary and of course more details could have been given. It is not upto me to say whether or not my replies have given satisfaction to the Hon'ble Members. I would once again request the House to accord its sanction to the supplementary demands.

THE MYSORE LIVESTOCK IMPROVEMENT BILL, 1960.

Motion to consider

Sri N. RACHIAH (Minister for Agriculture and Social Welfare).—
I beg to move:

“That the Mysore Livestock Improvement Bill, 1960 be taken into consideration.”

Mr. DEPUTY SPEAKER.—Motion moved:

“That the Mysore Livestock Improvement Bill, 1960 be taken into consideration.”

† Sri N. RACHIAH.—Sir, I wish to commend this Bill for the kind consideration of the House. This Bill is a very important Bill and at the same time a very simple Bill. I believe it is also non-controversial. As such I am sure that within the time allotted, that is, one hour, this Bill will be passed by this House.

In our country, agriculture is the mainstay of our people. It is an imperative that we step up food production and also increase our milk supplies. Injections of artificial insemination are necessary and it is urgent that scrub bulls which are in huge number now, be castrated.

At present there are different enactments in force in the different integrating areas of the State and this Bill seeks to introduce uniformity in this legislation.

This Bill seeks to consolidate the enactments.

Sri K. PUTTASWAMY.—Under the Mysore Livestock Improvement Act, 1951; Government had power to get scrub bulls castrated. May I know the results obtained in the working of that Act.

Sri N. RACHIAH.—I will give the information later. This Bill is very important because we have to improve the local breed with higher quality livestock.
